### Russia in WTO: Foreign officials, analysts and businesses react (Part 3)

Posted: 03 Jan 2012 10:34 AM PST

As Modern Russia reported **previously**, the conclusion of Russia in WTO talks on 16 December sparked numerous positive reactions from international officials hailing the accession of the world's 6th largest economy as a milestone for the organization, which has now become truly global.

### Russia in WTO: Foreign officials, analysts and businesses react (Part 2)

Posted: 03 Jan 2012 10:28 AM PST

Russia's WTO accession will boost growth and job creation not only for Russia, but also for Russia's trade partners, international business leaders told Modern Russia. In addition to **foreign officials and financial analysts**, Modern Russia asked a number of business representatives what they expected from seeing Russia in WTO, a move agreed on 16 December in Geneva.
